All Prices are in AUSTRALIAN DOLLARS

Prescription Per Country Required

All solutions are extemporaneously compounded for individual patients. A prescription is required from a medical practitioner.

Most solutions are stable at room temperature for 3 months except solutions marked with a * . Solutions marked with * require refrigeration for long term storage stability.

If unsure, please ask for specific shelf life information for individual solutions.

We have many more solutions available in different strengths & various sizes... If you don't see what you're looking for...just ask!!
